Credit-Bearing Research Internships

RESEARCH INTERNSHIP PROJECTS

- 1) Editorial intern for the UNIC journal “Zealos: Studies in the Humanities, Social Sciences, Art & Design”
- 2) Research intern in the Department of Languages and Literature
- 3) Research intern for the Horizon-funded project CAPONEU: The Cartography of the Political Novel in Europe. Analyzing the representation of beliefs and traditions in the political novel , and the role of the political novel itself in shaping and changing perspectives on the individual, the state, the economy, and especially on Europe’s historical and cultural past.

The internship is suitable not only for Language and Literature students, but also for students in the Humanities and for anybody with sound academic research skills who is a native English speaker.

***Additional details on research projects can be provided upon request.
