### INSTRUCTIONS

Please take these estimates to your financial aid office to understand how much financial aid you are eligible for. You might be eligible for more financial aid than you currently receive if the cost of studying abroad is higher than your fees at your home institution.

Federal financial aid regulations allow the use of financial aid for all "reasonable" expenses associated with study abroad, which commonly includes the categories listed in the **UNGS Fees** and **Estimated Student Expenses** sections above (*e.g. Program Fees, Transportation, Housing, Insurance, etc*).

The "**Low-End**" and "**High-End**" costs listed in the **Estimated Personal Expenses** section are meant to reflect the range of student spending practices.

We will execute **Consortium Agreements** with your financial aid office as needed to process financial aid. A UNGS Consortium Agreement can be found in the **Document Download Center** in your **globalsemesters.com account**, but we would be happy to work with the consortium agreement that your university uses.
